

Friday, July 30, 2004

09:00 – 17:30

Hall C

Special Focus Symposium on Simulation-Based Decision Support in Enterprises and Regional Planning

Chair: Prof. Miroljub Kljajic, Faculty of Organizational Sciences,
University of Maribor, Maribor, Slovenia

Welcoming Remarks

by Prof. Miroljub Kljajic, University of Maribor, Maribor, Slovenia

Decision Support Oriented Enterprise Simulation Model – Keynote Address

by Prof. Miroljub Kljajic, University of Maribor, Maribor, Slovenia

Modeling Concepts in a Knowledge Based DSS – Application to the Evaluation Energy Saving Projects – Keynote Address

by Prof. Michel R. Klein, HEC, School of Management, Information Systems and Decision Science Department, France

Simulation Approach to the Stochastic Optimization of the Warehouse

by Davorin Kofjac and Prof. Miroljub Kljajic, Univ. of Maribor, Slovenia

Optimal Planning of the Regimes of Functioning of Compressor Stations of the Gas Pipeline, Hassi R Mel-Arzew in Steady and Dynamic States

by Dr. Chebouba Ammar and Dr. Smati Abdenacer, University of Boumerdes, Algeria

Group Learning Supported by Feedback Information

by Mirjana Kljajic Borstnar & Dr. Andrej Skraba, University of Maribor, Slovenia

LUNCH BREAK 12:00 –14:00

Group Decision Process Entropy Determination – System Dynamics Models Application

by Dr. Andrej Skraba & Mirjana Kljajic Bostnar, University of Maribor, Slovenia

Software Agents for Simulation Integration

by Blaz Rodic and Prof. Miroljub Kljajic, University of Maribor, Slovenia

Study Problems of E-Learning and Virtual Enterprises in Online University

- Keynote Address -

by Prof. Vardan Mkrttchian, All Armenian Internet University, Australia, and

by Prof. Miroljub Kljajic, University of Maribor, Maribor, Slovenia

Multiattribute Decision Modelling for Supporting Nurses' Work and Quality Assessment

by Prof. Vladislav Rajkovic & Uros Rajkovic University of Maribor, Kranj, Slovenia

by Prof. Olga Sustersic, University of Ljubljana, Ljubljana, Slovenia
