The International Institute for Advanced Studies in System Research and Cybernetics

is announcing

**InterSymp 2003**

**15 TH INTERNATIONAL CONFERENCE ON SYSTEMS RESEARCH, INFORMATICS AND CYBERNETICS**

to be held:
from July 28 to August 2, 2003
in Baden-Baden, Germany

We are pleased to inform you that the 15th International Conference on System Research, Informatics & Cybernetics will be held from July 28th to August 2th, 2003 in Baden-Baden, Germany.

The Conference will provide a forum for the presentation and discussion of short reports on current systems research in humanities, sciences and engineering. A number of specialized symposia is being organized to focus on research in computer science, synergetics, cognitive science, psychocybernetics, sociocybernetics, logic, philosophy, management, ecology, health care, education and other related areas.

Participants who wish to present a paper are requested to submit two copies of an Abstract (up to 200 words) as soon as possible, but not later than March 30, 2003. All submitted papers will be refereed. Those selected will be scheduled for presentation and published in Conference Proceedings. Notification of acceptance will be sent to authors by April 9, 2003. The full papers, not to exceed 5 single-spaced typed pages, should be submitted with photo-ready copies of artwork by May 9, 2003.

The Abstracts, as well as the camera ready copies and the relevant discs of the paper should be submitted to:

Prof. George E. Lasker
